SUBSCRIPTION FORM

The membership year runs from 1st February

1. **Full** membership gives membership of the BBKA, with 3rd party insurance, which covers beekeeping activities, including sale of direct hive products (full details on the website or from treasurer)
2. **Country** membership is for those without bees, so does NOT provide insurance cover, but gives membership of the BBKA with monthly copies of BBKA news
3. **Partner** membership is for those residing at the same address as a full member who need insurance cover to handle bees independently, giving BBKA membership and insurance, but not BBKA news.
4. Affiliated membership has been replaced by Country membership; anyone can attend our meetings without any requirement to be a member.
5. **B.D.I cover** is included in the full membership fee, and covers your first three hives, but all other hives have to be covered at an extra charge (see below). This only gives cover for compulsory destruction of your colonies if diagnosed with foulbrood.
